

SBS launch new Website and Online Services

SBS NEWS. Edition 2. May 2010

Save time and paper with online billing...

Why not take advantage of our new online billing service. We can now email you weekly with your invoices and at the end of each month email a summary statement to you. It saves time and improves efficiency by providing a summary of what you've spent. It also helps do our bit for the environment by using less paper!

Call our Accounts team to register and go online.....

If you've not already noticed, then log onto www.swalebusiness.co.uk and have a look at our new website. Updated with a fresher, simpler look, it also includes new features and content to make it easier to do business with SBS:

- online shopping within 2 clicks
- enlarged office consumables shop with over 25,000 products
- expanded furniture and seating ranges
- new office fit out and relocation section
- new online business services

We hope you find the site user friendly but remember you can always call our account management team who will help you find what you are looking for....

Faster, simpler, secure - online shopping made easy

Our online shop offers over 25,000 products, but did you know that our contract clients

order over 60% of the same items every week. Why not let us do the hard work and set up a personalised online account listing all your regular items to make it simple and efficient for you to order what you want, when you want. It will save you time and money:

- quicker shopping with less time wasted searching for items
- fewer mistakes as codes are automatically picked up
- other users can shop easily from your pre-set list
- your contract terms are automatically applied
- products are immediately scheduled for prompt delivery

Call and arrange for one of our team to visit and show you how to set up your own shopping list - it couldn't be simpler!

DONT FORGET.....

Our new office interiors division can help with any furniture, fit out or relocation requirements that you may have.
