

Did You Know SBS Offer A Full Printing Service?

SBS NEWS. Edition 3. July 2010

Welcome to the Summer edition of SBS NEWS. We would like to thank all our customers for their positive feedback on our new website and online services, and are pleased to report that our office interiors division is being kept busy with a stream of enquiries for furniture, fit out and relocation, with several projects successfully completed.

Our Top Tips

1. Check, Check, Check

The most common mistake is not to fully check your proofs. We recommend at least 2 people check prior to approval.

2. Visual Impact

Metallic & fluorescent colours often provide improved visual impact, especially on silk or gloss stocks.

3. Bulk Order

If you regularly use the same items then order in bulk and we will hold stock for you to call off. This significantly reduces cost per item.

4. Your Own Artwork

Using your own artwork cuts down on leadtime by removing much of the setting & proof reading.

SBS have offered full service printing for several years now, providing a wide range of print-related products. Our team will help plan your requirements and budget while our studio professionals create the design and artwork. Our aim is to keep quality high and production costs low, while offering a very quick lead-time for urgent jobs.

Our product range includes:

- **Business Stationery**
- **Colour Printing**
- **Labels**
- **Continuous Forms**
- **NCR Sets**

5. One Clear Owner

It is important that one person takes responsibility for all copy, proofing and changes. This helps retain control and avoid confusion and mistakes.
